Person Completing Questionnaire

MAF has selected your agency as one whose input would be most valuable in a global survey of access barriers to the Gospel and to Kingdom resources. The purpose of this brief questionnaire is to identify those regions of the world that are of greatest interest to you, either in your present work or future plans.

Please take a few moments to answer this short questionnaire that will help us prioritize the regions of the world where we will conduct our surveys. Thank you for participating in this strategic project.
